

We listen to K-LOVE daily and would be very dissapointed if we could not get the signal due to LPFM stations taking priority.
We also know a lot of other people in our families & community who listen to K-LOVE and would also be dissapointed.
K-LOVE has proven to be a station that people want to listen to, as it is completely supported by the listeners, not advertising. It is encouraging & uplifting (which, cannot be said for a lot of radio stations on the air today.) Please do not expand the LPFM stations to take priority over current FM translators. Thank you for reviewing my comments.
